Phil, the compendiums are on Quickr, not the g drive, so you should be able to get them. See Judy's email from late last week. If you need help, let me know. If for some reason you can't get into Quickr, let me know and I will send you the document tomorrow when I get back to the office.

Are you looking for the entire comment documents, as opposed to the Chapter 4 compendium on Quickr? If you have specific comment documents you are looking for, I could send to you.

I don't have access. I have been trying to figure out how to get to the comments on chapter 4, but still not sure how to do that.

All - I have placed the files (6050 pdfs) containing the unique public comments on the g:drive - Baker/Ecosystems Tribal and Public Affairs/Bristol Bay/BBWA Public comments. The numbering is the same as the numbering referenced in the comment compendiums.

Phil - not sure if you can access the g: drive. If you don't want to download the zip file and need specific pdfs, let me know.
